# Certificate in Theology

to help you grow

**Figtree Anglican Church is pleased to announce a partnership with Youthworks College and Soul Revival Church Kirrawee, to deliver an Australian College of Theology accredited Certificate in Theology.**

The certificate consists of six units, 3 core (Old Testament, New Testament and Christian Doctrine) and 3 electives (currently Leadership, Youth Ministry, Introduction to Pastoral Care, Children's Ministry and Evangelism) offered between two sites with students able to attend either site for study.

The units are offered as two intensive days of teaching, with reading and assessments to be done by the student at their convenience within the term dates and deadlines.

Within broad parameters, students can choose their own pace for the certificate and are able to complete units in an order of their choosing (depending on availability).
